<http://www.wnmdrangers.org> >Training > JLTA > DTC

Discovery Training Camp (DTC) is an introductory camp in a series of training camps. This camp specially designed for the Discovery Rangers and a great introduction to the Junior Leadership Training (JLTA) camps.

The training camps challenge and provide growth opportunities for the Ranger and complement the regular Wednesday evening meetings in an environment that encourages team-work and develops a sense of accomplishment.

Discovery Training Camp is intended for boys in the 4th and 5th grade that teaches team-building through the Patrol Method. The boys attend the camp in groups of 4 from their local outpost with a local commander to serve as their advisor and instructor.

DTC is staffed by both local Discovery Ranger Commanders and JLTA Graduates.

Basic DTC & DTC camps now make up the Trail to the Tomahawk. Anyone who completes Basic DTC *prior* to attending DTC will receive a graduates **Tomahawk** once they attend and complete DTC.

This is an overnight camp; the boys arrive Friday evening and graduate on Saturday.

They sleep indoors at the training center; no camping or cooking outside.

All meals, books, patches and a ball cap are provided.

Uniform: Class C (Royal Rangers large emblem t-shirt and jeans).

Gear List
