Connecting at Christian Life

Getting to Know You Group

At 9:30 am on Sundays you are invited to gather with Pastor Rich in the back of the sanctuary for a four-week group that will introduce you to the people, teachings and opportunities of the Christian Life family.

Membership Discussion

Sunday April 11 | 4:00 - 6:00 pm

You are invited to come talk about what church membership means.

Upcoming Events

Family Fund Mr. Z's Food Sale | March 28 – April 14

The Family Fund holds money you earn through fundraisers to be used for camps, retreats, program registration expenses, ministry materials, etc. This enables families to afford the activities of the church. We conduct four fundraisers a year for you to earn money for your family fund: fall wreath sale, spring Mr. Z's food sale, early summer fireworks tent and an end of summer project picking up trash at the Sheboygan County Fair. All of the profits from these events go into the family fund account of those who participate.

Leadership Training | Sunday, March 24 | 4:00 - 6:00 pm

Our retired district superintendent, Arden Adamson, will present three levels of work that determine the effectiveness of your spiritual leadership. Deacons, ministry leaders and other interested people are invited.

Easter Schedule

- Seder Supper | Thursday, April 1 | 6:00 - 9:00 pm
- Community Good Friday Service | Friday, April 2 | 6:30 - 8:00 pm

Instruction Classes for Children

Our children's pastors, Bill and Laura Kern, will discuss baptism in Kidz Church today. After that, they will meet with interested children and their parents to talk about the child's readiness for baptism.

New Sunday Morning Life Groups Begin April 11

Every Young Man's Battle

Teens and fathers/sponsors will discuss strategies for victory in the real world of sexual temptation.

True U

Students age 16-22 will solidify their Christian faith with foundational apologetics training. True U is designed to equip young people to stand strong in the university environment, and also serve as a precursor to the studies presented in The Truth Project of how to live out a Christian worldview in everyday life. The lessons are fairly challenging in nature so *some of the material is actually more complex than what is presented in The Truth Project*. The evidence presented is on par with what collegians can expect to encounter in a university biology or philosophy course.

Welcome to Christian Life Church!

It is our hope that as you worship with us you will experience Jesus Christ's love and His abundant life for you. It is our desire that each person entering our doors would experience God.

Please fill out the connection card with as much information as you feel comfortable and place it in the offering bag.
(Any information you give us is for church use only.)
